

## Connecting Your Android Box to your internet using Wi-Fi

- 1) Power on the android box and the Android Menu will appear
- 2) Using the arrow keys (or the mouse) to highlight the "**Settings**" App then press "**OK**" (or enter)
- 3) If you do not see the "**Network icon**" high light "**Common**" then select "**More Settings**"
- 4) highlight the "**Network**" icon then press "**OK**" (or enter)
- 5) high light "**Wi-Fi**" then press "**OK**" (or enter)
- 6) high light "**Wi-Fi device**" then select "**On**" to turn on Wi-Fi

Now you will see a list of wireless networks. Choose the network you wish to connect to and enter the password then select the "blue button with the > symbol" (or press "enter" on a key board). If done correctly it will say "**Connected Successfully**"
